

# IBT

**Manual And Automated Grease And Oil Centralized Lubrication Systems**

**Lubrication System Components**

**Viscous Fluid Delivery Storage Systems**

**Over The Road Truck And Heavy Mobile Equipment Systems**

**System Inspection And Scheduled Maintenance Services**

**Turnkey System Installation**

**Oil And Wear Particle Analysis**

**Lubrication Practices And Equipment Operation And Repair Training**

## **GEAR AND LUBE SERVICES**

Lubrication systems provide peace of mind to plant managers by minimizing downtime and critical equipment failure. IBT's Gear and Lube Services Division offers a wide range of lubrication systems, components, and installation for all types of industrial applications.

We also offer complete repair and overhaul services for all types of gearboxes and reducers, including manufactured, OEM, and custom built units, whether purchased from IBT or through another supplier.

Gear & Lube Services

# PRODUCTS & SERVICES

## LUBRICATION PRODUCTS & EQUIPMENT

### **ALEMITE**

Grease & oil dispensing equipment, including grease guns, hose reels, diaphragm pumps, transfer pumps, control valves, single & multiple point lubrication systems, filters/lubricators/regulators, fittings, hoses, oil mist systems and accessories

### **ARO**

Grease & oil dispensing & batching components & systems

### **BIJUR**

Manual & automated systems, fluid flex components and accessories

### **COX REEL**

Hose reels and accessories

### **DELIMON**

Overhead chain & conveyor lubrication systems

### **FARVAL**

Dual-line, Exacto-serve (injector), series progressive (modular) manual & automated systems, recirculation systems, transfer pumps, control valves, fittings and accessories

### **GLEASON REEL**

Hose reels and accessories

### **HOSETRACT**

Hose reels and accessories

### **IFH**

Innovative fluid storage systems, portable lube carts, custom designed systems

### **LINCOLN**

Grease & oil dispensing equipment, including grease guns, hose reels, diaphragm pumps, transfer pumps, control valves, fittings, hoses, and accessories

### **LUBE DEVICE**

Closed circuit fluid level gauges, sight plugs/vented oil gauges, flow sights, vents/breathers/filters, metering valves, grease cups/filler cups, lubricators/dispensers, constant oil reservoirs, air/oil reservoirs, chain oilers, spray systems, circulating oil systems

### **LUBESITE**

Single point lubricators and accessories

### **LUBRIQUIP/TRABON/OPCO**

Manual & automated systems, overhead chain conveyor lubrication systems, controls, components and accessories

### **NATIONAL-SPENCER**

Zee line lubrication equipment, meters, grease guns, pumps, reels and accessories

### **OILRITE**

Air operated dispensers, constant level oilers, full flow dispensers, horizontal dispensers & steel tanks, multiple feed oilers

### **PERMA USA**

Single point grease & oil lubrication systems & accessories

### **REELCRAFT REELS**

Hose reels and accessories

### **TRICO/OIL SAFE**

Central lubrication systems, gravity feed, chain and constant level oilers, liquid level gauges, viewports, grease lubricators, breather vents, spray coolant systems, fluid protection products and oil dispensing containers

### **WEARCHECK**

Oil & wear particle analysis services

### **MISCELLANEOUS**

High pressure tubing & fittings, nylon tubing & fittings, pipe fittings, compression fittings, stainless steel fittings, brushes, applicators, pressure gauges & temperature monitoring systems, drum & band heaters and acoustic grease gun devices

### **SERVICES AVAILABLE**

System design, installation, service, warranty & repair services and training

*We Have The Products And Services You Want!*

## **LUBRICANTS/SEALANTS/ADHESIVES**

---

### **DOW CORNING**

High performance industrial greases & oil, food grade greases & oils, compressor oils, synthetic lubricants, sealants and aerosol products

### **JAX**

Specially formulated industrial lubricants including: gear lubricants, hydraulic fluids, transmission fluids, chain & conveyor lubricants, compressor oils, way oils, specialty oils, metal working fluids, greases, aerosol products, solvents and chemicals and food grade lubricants

### **LOCTITE**

"Viper Lube" synthetic greases, oils, and dry film lubricants, high-tech maintenance products including: thread locking, thread sealing, gasketing, retaining, metal rebuilding and shaft repair, wear prevention and rebuilding, floor and concrete repair, anti-slip flooring, anti-seize, surface protection and rust prevention, aerosol products, parts and surface cleaning, hand cleaners, bonding, kits, specialty and emergency repair products & accessories

### **LUBRIPLATE**

Multi-purpose synthetic fluids and greases, air compressor oils, vacuum pump oils, multi-purpose greases, special application lubricants, gear, bearing and recirculating oils, specialty lubricants, food machinery lubricants, automotive lubricants, motor oils, metal working fluids, spray lubricants and aerosol products

## **IN-HOUSE & ON-SITE REPAIR SERVICES**

---

### **GEARBOX**

Complete gearbox repair and overhaul, bearing and seal replacement, shaft accessory installation and removal, custom or obsolete gearing can also be provided, alignment, vibration analysis, oil and wear particle analysis services are also available

### **LUBRICATION**

System trouble shooting, diagnosis and repair, pump repair, hose reel repair, control valve repair and calibration, component inspection and scheduled maintenance services are also available

### **WARRANTY REPAIR**

IBT is an authorized factory repair center for Alemite, Lincoln and Farval Equipment with Factory Trained Technicians

### **EMERGENCY SERVICES**

IBT offers 24/7/365 repair services

**IBT services are available for most makes and models of lubrication equipment and mechanical drives**

## **LUBRICATION MANAGEMENT SERVICES**

### **MANUAL AND AUTOMATED GREASE AND OIL CENTRALIZED LUBRICATION SYSTEMS**

Single Line, series progressive, dual line, chain spray systems, high speed spindle lubrication systems, remote grease blocks, etc.

### **LUBRICATION SYSTEM COMPONENTS**

Hose reels, pumps and pumping stations, lube material dispensing units, spray and mist components, remote grease lines, diaphragm pumps, filters, regulators, fittings & accessories and repair parts

### **VISCOUS FLUID DELIVERY SYSTEMS**

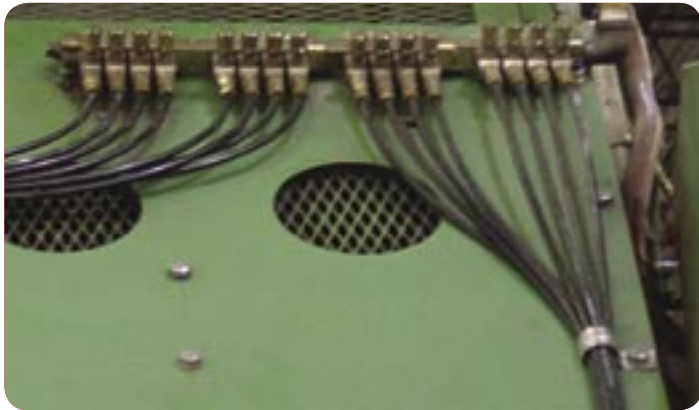

For precisely measured delivery of sealants, adhesives, mastics, inks, etc.

### **OVER THE ROAD TRUCK AND HEAVY MOBILE EQUIPMENT SYSTEMS**

### **COMPLETE LUBE EQUIPMENT TESTING AND REPAIR SERVICES**

Box lubricators, MCLP pumps, control valves, diaphragm pumps, ejectors, measuring and metering valves, pressure primers, pumps, etc.

### **SYSTEM INSPECTION AND SCHEDULED MAINTENANCE SERVICES**

*Prolong the life of your critical machinery with centralized lubrication systems.*

## **GEARBOX REPAIR SERVICES**

### **REPAIR AND REBUILD SERVICES**

Component inspection and troubleshooting, teardown and rebuild, shaft accessory removal/replacement, waste oil disposal, presswork, etc.

### **PREDICTIVE AND PREVENTATIVE MAINTENANCE**

Avoid catastrophic failure and costly downtime through regular maintenance.

### **24/7/365 IN-HOUSE AND ON-SITE SERVICES**

### **SERVICE ON ALL MAKES AND MODELS**

Boston, Browning, Cone Drive, David Brown, Dodge Reliance, Falk, Flender, Foote Jones, Graham, Hub City, Link Belt PIV, Morse, Ohio, Rexnord Planet Gear, SEW Eurodrive, Shimpo, Snow-Nabstad Power Transmissions, Stober, Sumitomo, US Vari-Drive, Winsmith, ZeroMax, OEM Specials, Custom Built Units, etc.

*IBT's in-house gear shop is staffed by experienced technicians dedicated to quality and service.*

If you would like additional information on any of our Gear and Lube Services, or if you would like to place an order, contact your local IBT Branch Service Center or call IBT toll-free at 1-800-332-2114
