HOW IT WORKS

- ▲ Search by keyword, manufacturer's part number, IBT part number, purchase order number, IBT order number, or internal part number
- ▲ Create custom shopping lists
- ▲ Utilize the Frequent Buy shopping history list
- ▲ Review your entire IBT order history, including orders not placed on line
- ▲ Review order status; print, email, and copy orders
- ▲ Get the same pricing as from your local IBT branch
- ▲ Use Order Pad for quick order entry
- ▲ Take advantage of free Live Chat product and customer support
- ▲ Integrate your eProcurement system with IBT's online storefront
- ▲ Utilize a Custom Catalog to view only the items you need
- ▲ Have your internal part numbers added to the store, to simplify ordering
