INSTRUMENT CALIBRATION, RENTAL & REPAIR ANOTHER IMPORTANT SERVICE FROM IBT SAFETY

Gas detection instruments can save lives on the job – but only if they are properly maintained. At IBT, we provide the instruments and necessary services that give you the safety, security and peace of mind that builds confidence and productivity.

COMPLETE LINE OF INSTRUMENTATION

- ▲ Portable Gas Monitors
- ▲ VOC Detection Instruments - Photoionization & Flame Ionization
- ▲ Air Sampling Pumps
- ▲ Sound Level Meters
- ▲ Stationary Gas Detection Systems
- ▲ Gas Chromatographs
- ▲ Indoor Air Quality Instruments
- ▲ Radiation Detection Instruments
- ▲ Other Environmental Sampling Devices

INSTRUMENTATION CALIBRATION & SERVICES

Correct maintenance of your instruments includes cleaning, updating, inspecting, and most importantly, regular calibration. This ensures that your instruments are accurate and responsive when needed.

IBT has the expertise to provide these services on-site, ensuring that your monitoring capabilities are ready at a moment's notice. Instrument calibration, rental and repair are additional ways that IBT is distinguished from the competition.

In addition to calibration, IBT also offers rental and repair services for most major brands of gas detection instruments. Take the worry out of monitoring...contact your IBT representative to learn more about this important aspect of safety and health services.

Services include:

- ▲ Calibration - Onsite or at our IBT Calibration Facility
- ▲ CARE Programs - Custom Maintenance and Equipment Acquisition
- ▲ Respirator Fit-Testing
- ▲ User Training
- ▲ Onsite Equipment Evaluation
- ▲ SCBA Flow-Testing
- ▲ Compressor Air Quality Testing
- ▲ Respirator/Facepiece Cleaning
- ▲ Level A Suit Pressure Testing

RENTAL EQUIPMENT

- ▲ Complete Line of Safety & Environmental Instruments
- ▲ Daily, Weekly or Monthly Rental Periods
- ▲ 24/7 Technical Support & Availability
