

WE ARE SEALS

TRAILER SEALS UTILITY & MEDIUM DUTY

TRAILER SEALS

Supplying high quality TCM branded Oil Seals into the trailer market for over 25 years.

UTILITY
MEDIUM DUTY

Trailer seals are used to seal a hub and a spindle and keep an oil-based lubricant inside an axle. We understand that in the trailer industry, there are different axle designs and applications. Whether you require a standard shaft seal or a more specialized oil bath seal, Dichtomatik provides a broad range of trailer seals in a wide variety of styles, sizes and materials. We do our best to have your parts in stock so that we have them when you need them.
